Slides and Negatives Scanning

Did you think those old negatives and slides that have been lying around your house for years are useless? Think again with our negative and slide scanning service.

We can scan all your old negatives and slides and return them as digital masters (files) on CD.

Because this type of job requires that you send us the physical slides or negatives these must be posted to us.

- | | |
|------------------------------------|------------------------------------|
| ➤ Negatives and slides – up to 50 | 39p per slide (min. charge £19.50) |
| ➤ Negatives and slides – up to 200 | 35p per slide |
| ➤ Negatives and slides – up to 500 | 29p per slide |

Have you got hundreds of family photographs that are just too precious to throw out but are taking up too much space? They're the ones that are usually kept in boxes in the attic? Now you can have them scanned and put onto CD (approx 700 photos) so that they are preserved. You can then easily share them with friends and family by attaching them to email.

Prints up to A4 size	Up to 50	39p per print (minimum charge £19.50)
	Up to 200	35p per print
	Up to 500	29p per print
